

The Arc

Of Sauk County since 1964

August 3, 2015

Board Members

Hello Everyone!!

President

Rebecca Knull

Sauk County ARC will not hold a fall outing this year. Instead we are subsidizing \$20 of the cost for each consumer member who signs up to take the Able Trek trip on September 12, 2015 to the Mississippi River Museum and Aquarium in Dubuque, Iowa.

Vice President

Joy McEndree

Treasurer

Jeanette Jessop

The enclosed flier sets out the trip in more detail, including the rates per person. These rates have been already been reduced by the \$20 that the ARC has subsidized. Also enclosed is the application to be completed and returned directly to Able Trek Tours. Complete this AS SOON AS POSSIBLE because the bus will fill quickly. Note - this is an Able Trek tour. You MUST be registered to participate. No one will be allowed to just show up at the bus and take the trip.

Secretary

Karen Zimmerman

Directors

Alice Moyer

Carol Moe-Kiefer

Lucy Brice

Penny Hilber

Each traveler will provide their own sack lunch. Able Trek will have coolers to store the lunches. Sauk County ARC will provide bottled water for all travelers at the picnic lunch stop and on the bus coming home. In addition, we will provide a treat for all the travelers at the museum café.

Advocate

Teri Spraetz

Please note that chaperones are required for all consumer members per Able Trek's policies. Able Trek will determine the number of consumers per chaperone.

State Delegate

Doug Faber

Any family member or caregiver who would like to volunteer to be an Able Trek chaperone for this trip should contact Able Trek at 608-524-3021. Chaperones need only to provide their own sack lunch as tickets for the museum and bus ride are provided.

Mark your calendar for two very important meetings coming up on August 10th and September 14th. Topics will be this Dubuque trip, our Christmas party and creating a Calendar of Events for 2016. Please come and give us your input. Meetings on both dates will be at VARC at 6 pm.
